## Overseas Student Health Cover

International students studying in Australia must have health and medical insurance for the length of their student visa. Hope College Australia can help you arrange this. Please contact our Registrar team for more information.

### **Why are International Students required to maintain Overseas Student Health Cover?**

Hospital treatment in Australia can be expensive. International Students are not eligible for Medicare – the Australian Government's public health insurance system. Without access to the safety net of Medicare, International Students may have difficulty paying for medical treatment. As a result, Overseas Student Health Cover (OSHC) was introduced to ensure International Students have adequate health care arrangements during their stay in Australia.

OSHC ensures International Students can access appropriate health care without undue financial hardship. All student visa holders must have Overseas Student Health Cover (OSHC) which provides medical and hospital insurance in Australia. Students must not arrive in Australia before their health insurance starts. If student visa holders in Australia and do not have adequate health insurance, they are in breach of visa condition 8501.

## Your rights and obligations

As an international student you have obligations that differ from your Australian classmates.

### Visa Conditions

- ii. The application is for a maximum of 6 months or until the next available course intake, and

### Suspension of Studies

Hope College Australia will consider an application for suspension of studies when:

- i. There are compassionate or compelling circumstances,

- iii. The application is made two weeks prior to the requested suspension of studies commencement date.

All applications for suspension must be submitted in writing using the **Deferral Suspension Application Form** available from the Registrar team (or the Moodle website); and submitted to [registrar@hopecollege.com](mailto:registrar@hopecollege.com).

NB. You must continue attending classes until receiving a decision on your application.

## Withdrawals

All applications for withdrawal must be submitted using the **Withdrawal Application Form** (available from the Registrar team or the Moodle website). If students wish to withdraw from their course, they will receive a refund of their unspent tuition fees.

Students are advised that multiple individual subjects may be linked to a single unit of competency. They need to be aware that, should they choose to withdraw from the course, they may not receive a Statement of Attainment if they have not achieved a full unit of competency.

## College initiated suspension or cancellation of enrolment

Hope College Australia may suspend or cancel the enrolment of a student for the following reasons:

- i. Unsatisfactory attendance.
- ii. Unsatisfactory academic progression. This also includes:
  - Non-commencement of studies. This is considered to be a withdrawal and your enrolment will be cancelled.
  - Failing to return to studies after term break, suspension of studies, or holiday without notifying the College. This is considered to be a withdrawal and your enrolment will be cancelled.

## Release requests

### Transfer between Providers

Transfers from Hope College Australia to another provider/college will only be granted if students have completed at least 6 months of their course at Hope College Australia. If students complete less than 6 months of their course at Hope College Australia, a transfer to another college will only be granted, if the new Provider/College confirms by a "Letter of Offer" that a valid enrolment offer has been made and the transfer is not considered detrimental to the student. When the transfer from Hope College Australia to another provider/college is granted, the student will receive a "Letter of Release" at no cost; the onus is on the student to contact Department of Home Affairs (Immigration) to seek advice on whether a new student visa is required. If Hope College Australia does not grant a letter of release, then students will be provided with written reasons for refusing the request. The timeframe for assessing and replying to students' transfer requests is 10 working days. Students have the right to appeal Hope College Australia's decision in accordance with our **Complaints and Appeals Policy**.

Requests for transfer should be made using the **College Course Transfer Request Form**.

## Course completion

International students must complete their course within the time specified in their Confirmation of Enrolment (CoE).

## Enrolment and Refund Terms and Conditions

Every student receives a Letter of Offer, that includes terms and conditions and a Refund Policy prior to enrolment. On accepting your offer, you have agreed to the conditions contained within these documents.

In the unlikely event, Hope College Australia is unable to deliver a course which students have paid for (provider defaults), Hope College Australia has an obligation to offer the students an alternative course or, if they do not accept the alternative course, pay them a refund of their unspent prepaid tuition fees.

## Tuition Protection Service (TPS)

The Tuition Protection Service (TPS) assists international students on student visas whose education providers are unable to fully deliver their course of study. If Hope College Australia is unable to meet these obligations for some reason, the TPS will assist the students in finding an alternative course or getting a refund if a suitable alternative is not found.

The ESOS Act provides the regulatory requirements for education and training institutions offering courses to international students in Australia on a student visa. ESOS provides tuition protection for international students (<https://www.education.gov.au/tps>). It is necessary for students working in a state/territory other than Queensland to abide by that state/territory's equivalent legislation.

## General Information

Students from all over the world come to Australia to take advantage of our world-class education and experience life in an energetic, friendly, and confident community. Our people are innovative, hospitable, and culturally diverse. With people from over 140 countries making Australia their home, we are one of the world's most multicultural countries. Australians value the rich contribution international students make to our communities.

Visitors from many parts of the world are attracted by Australia's spectacular natural environment. They also enjoy the sophistication and excitement of the Gold Coast and the distinctive personality and friendliness of the Australian people. Australia is rich in the arts and is keen to preserve and display its diverse cultural heritage. Australians are also environmentally conscious and keen to preserve the country's natural beauty and scenery. Our Clean Up Australia campaign is being adopted worldwide.

### Money/Currency

You should work out a budget covering accommodation, food, transport, and clothing. Childcare, if applicable, should also be taken into account. The average (single) international student in Australia spends a minimum of \$520 per week on accommodation, food, clothing, transport, telephone and incidental costs (based on <https://www.studyaustralia.gov.au/english/live/living-costs>). While this is a realistic guide, it is important to remember that individual circumstances will vary by location, course and chosen lifestyle.

Australian currency is the only legal tender in Australia. When you first arrive, money from other countries can be changed at the exchange facilities located at international airports, banks and major hotels. Traveller cheques are easier to use if already in Australian dollars, however, banks will cash travellers cheques in virtually any currency. Major hotels and shops, depending on individual store policy, will cash travellers cheques. Credit cards are widely accepted around Australia. The most commonly accepted credit cards are Visa, MasterCard, and their affiliates. Australia uses a dollars and cents system of decimal currency with 100 cents in a dollar. The bank notes in use are \$5, \$10, \$20, \$50 and \$100. Coins used are the silver coloured 5 cent, 10 cent, 20 cent and 50 cent and the gold coloured \$1 and \$2 coins.

### Finances and Banking

Banking services in Australia are extremely competitive. Over 20 local and numerous international banking groups are represented in Australia. All major banks have a branch in cities and regional centres. Most shopping centres have Automatic Teller Machines (ATM) facilities. These machines can be used for deposits and, in many instances, withdrawals 24 hours a day. Many department stores, supermarkets and specialist shops have electronic transfer terminals (EFTPOS) where cash withdrawals can also be made in addition to purchasing goods.

The four main Australian banks are the Commonwealth Bank, ANZ Bank, National Australia Bank and Westpac. Branches of these banks, as well as several regional banks and building societies, are located close to the College in the shopping centres or town centres (e.g., at Mudgeeraba, Robina Town Centre, Burleigh Heads).

Normal trading hours are 9.30 am to 4 pm Monday to Friday, although this may vary between some banks. (Some major bank branches open on Saturday mornings in major shopping centres like Robina Town Centre). Most banks also offer extended banking facilities by way of automatic teller machines (ATMs). These machines can be used for withdrawals and deposits 24 hours a day.

Major department stores, supermarkets and petrol stations also have electronic transfer terminals (EFTPOS) where withdrawals can be made when purchasing goods. Bank charges can vary considerably, and it is advisable to check what fees are involved before opening an account, changing money or arranging any transaction.

### Opening a Bank Account

In Australia, there are two types of Banking organisations: banks and credit unions. Credit unions are cooperative banks. Each person who has an account with a credit union also has shares in the credit union.

When you open a bank or credit union account in Australia you need to provide identification. You will need to bring your passport and some other forms of identification (for example your student identification card, birth certificate or driver's license or identity card from your home country). You may also need to provide your evidence of enrolment with Hope College Australia (Student Visa Grant Letter and/or CoE) and Tax

Identification Number for each country that you have for foreign tax residency purpose. Check with your bank regarding what documents you will need to bring before visiting your local branch.

Generally, there are two basic types of accounts:

- an everyday account that provides you with a cash card for use with 24-hour automatic cash dispensers (ATM Machines) and “EFTPOS” (Electronic Funds Transfer at Point of Sale) facilities at stores. Many banks offer an everyday account with student options which allows you to access the account with no monthly account fees. Some everyday accounts also have cheque book facilities. Accounts with cheque books are subject to a special government tax.
- investment accounts - these are designed for people who have a large amount of money to deposit in the bank. Investment accounts pay interest at higher rates than everyday accounts and do not usually have cash card access. It is best to look around for a bank that suits you. Some banks charge fees on their investment accounts. You should make sure you know what the fees are and when they will be charged.

### **Tax File Number**

A Tax File Number (TFN) is your personal reference number in the tax and superannuation system. When you open your bank account or start your part-time work, the bank or your employer will ask for your TFN. A TFN is not compulsory; however, any income you earn (including interest on your bank account) will be taxed at a higher rate if a TFN is not provided.

It is free to apply for a TFN and the application is completed online on the Australian Taxation Office’s website. How you apply for a TFN depends on your individual circumstances. Visit the ATO website <https://www.ato.gov.au/individuals/tax-file-number/apply-for-a-tfn/> for more information on how to apply for a TFN. Remember to keep your TFN in a safe place and do not disclose it to anyone other than your bank or employer.

### **Passenger Movement Charge (PMC)**

The Passenger Movement Charge (PMC) is an AUD 60 cost for the departure of a person from Australia for another country, whether the person returns to Australia or not. The PMC replaced Departure Tax. PMC is collected at the time a ticket is sold to a passenger and then forwarded by the carrier (airline carriers, shipping companies and air charter operators) to the Department of Home Affairs (the Department). Because manual collection of PMCs is necessary for small itinerant flights and sea craft, an Australian Border Force Officer will collect AUD 60 directly from each passenger, or from the captain, or agent for each voyage for the total number of passengers at the place of departure. An official receipt is provided after payment of the PMC has been collected.

The carrier usually makes payment to the Department by direct credit. If a traveller is paying the Department directly, the following payment methods are available, in conjunction with the completion the Departments B700 form:

- Cash
- Credit card
- BPAY
- Cheque (exceptional circumstances only)

The following passengers are exempt from payment of the PMC and should be identified at the time of ticket sale:

- a person less than 12 years of age on the day of departure
- a transit passenger passing through Australia to another destination overseas
- an emergency passenger
- a previous departure by a person from Australia by ship who is in the course of a journey (for example, round-trip cruise)
- a crew member of an aircraft or a ship

For more exemption categories, visit the following website:

### **Disability Services**

Most public areas, shopping centres, accommodation, attractions, and restaurants have disabled facilities and services. Advance advice about special needs will ensure the best possible assistance from local operators.

### **Time Zone**

The Gold Coast operates on the Australian Eastern Standard Time (EST) (GMT+10). Daylight saving is observed in New South Wales, however not in Queensland.

### **Parking**

Metered parking is available in busy areas such as Surfers Paradise, Broadbeach, Southport, Burleigh Heads, and Coolangatta etc. Free parking is generally available at other centres and limited free parking applies on the shopping centres around the Gold Coast.

### **Tipping**

Tipping is not the general custom in Australia and service charges are not added to accounts by hotels and restaurants.

### **Culture**

Multiculturalism celebrates Australian traditions, recognising that our culture is vibrant, multifaceted, living and constantly evolving. Cultural and linguistic diversity was a feature of life for the first Australians, well before European settlement. It remains a feature of modern Australian life, and it continues to give us distinct social, cultural, and business advantages.

Australians recognise, accept, respect, and celebrate cultural diversity. We embrace the heritage of Indigenous Australians, early European settlement, our Australian-grown customs, and those of the diverse range of migrants now coming to our country.

In 2020, more than 7.6 million people living in Australia were born overseas, with those born in England continuing to be the largest group, according to new data released today by the Australian Bureau of Statistics. ABS Director of Migration Statistics, Jenny Dobak said that 30 per cent of Australia's resident population were born overseas as of June 2020. This compares to 28 per cent in 2015 and 27 per cent ten years ago.

International students who come to Australia enjoy the benefits of our multicultural society. Australians are extremely friendly people and welcome international students into their communities and friendship groups. Although English is the official language, a host of other languages are spoken in Australia. As one of the most culturally diverse countries in the world many Australians are naturally fluent in other languages. More than 3.9 million Australians speak a language other than English at home. Within the education and training system about 15 per cent of those of working age studying for an educational qualification have English as a second language. More than 800,000 Australians speak a European Union language, apart from English, at home. Another 800,000 Australians speak an Asian language at home.

In Australia not only is there the opportunity to improve your English through specialist study in an English-speaking environment but all sectors of Australian education and training provide tuition in many other languages as well. English as it is spoken in Australia is very easily understood by nearly all people from other English-speaking nations. While there are some minor differences in accent between the cities and country areas the difference is much less than you will find in America, Britain, and Canada where French is also spoken.

### **Religion**

Australia is a Christian country where over 70% believe in God. But only 10% of the population actually attend church. All religions are represented in our multicultural society. Australians respect the freedom of people to practice their choice of religion and many Australians are very tolerant of other religions. There are many Christian Churches, and synagogues located on the Gold Coast. Hope College Australia is based in the same facility as Hope Church and some overseas students from Bond University also attend our church services.

### **Health and lifestyle**

Australia has an exceptionally good health care system. All Australians pay Medicare levy (additional tax) to fund the public health system and ensure everyone gets access to public system doctors, hospitals, and other health care services. People who pay extra into a private health insurance fund receive certain privileges when they use private health care services. As well as the usual services available in about any Australian suburb or town, most Australian institutions also provide special health care services and advice for students.

### **Hospitals**

The Gold Coast is served by two general hospitals (at Robina and Southport) and by a number of private hospitals. Medical specialty services and 24-hour medical clinics are available. The area also has a variety of paramedical services, such as physiotherapy, occupational therapy, community health and alternative and holistic practitioners.

Major hospitals include:

- Gold Coast University Hospital: 1300 744 284
- Robina Hospital: 07 5668 6000

## Food

Australia has a fantastic variety of food. Our top-quality meat, fish, fruits and vegetables are exported to markets all around the globe. There is a large range of fruit and vegetables available at Australian produce markets as well as non-Australian groceries. You should have no difficulty in finding the foods that you are used to at home. Most of the major global fast-food chains are well represented.

You can sample almost every type of cuisine available throughout the world in our many restaurants, ranging from Asian, American, Mexican, European and many more. Make sure you also try some of the traditional Australian food such as meat pies, lamingtons, and Vegemite while you are here in Australia.

## Climate

Gold Coast has a sub-tropical climate with around 300 days of sunshine per year, and those rainy-days exceptions typically fall in the summer period, between December and February.

Like most countries, there are four seasons in Australia:

Summer: December – February (20-28°C/68-83°F)

Autumn: March – May (16-26°C /61-77°F)

Winter: June – August (11-21°C /52-70°F)

Spring: September – November (15-25°C /59-77°F)

## Sun Protection

Enjoy outdoor activities without the risk of sun damage by wearing a broad-brimmed hat, a shirt with collar and sleeves and, sunscreen on exposed skin. Try to avoid staying outdoors during the middle of the day.

## Clothing

Casual, lightweight clothes are generally worn on the Gold Coast and Northern New South Wales. A jacket or other suitable outfit may be required in some restaurants. Some golf courses have dress codes, so check when booking. Comfortable shoes are necessary for hiking through National Parks.

## Electricity

The electrical current in Australia is 240/250 volts AC, 50 cycles. The Australian three-pin plug is extremely safe. Adaptors are usually required for most foreign appliances. A transformer may be required if you bring an appliance from overseas that operates on a different voltage. Universal outlets for 110 volts (shavers only) are standard in hotels, apartments, and motels.

## Telephone

Australia has a modern telephone and internet system. Most household has internet access at their home, and in Australia, most people own mobile phone. You can easily purchase a mobile phone from one of the retailers in the shopping centres (if you do not have one) and get a pre-paid sim card from either Australia Post, newsagent or one of the service providers such as Telstra, Optus, Vodafone, Amaysim, etc. It is recommended that you do your research and compare the plans that are available before signing a contract with any of the telephone or internet provider of your choice.

## Accommodation

The first decision to consider is deciding what type of place you want to live in and where you want to live. You can rent your own apartment, flat or house; you can share a flat or house with other people (an arrangement called “share accommodation”). You can look for rental vacancies and share accommodation in local newspapers: The Gold Coast Bulletin for Gold Coast student and The Courier Mail for Brisbane student. Alternatively, you can contact various local real estates for rental properties or browse their website for vacancies. The following list represents some of the popular local real estates:

Ray White <https://www.raywhite.com>; Professionals [www.professionals.com.au](http://www.professionals.com.au);

First National <https://www.firstnational.com.au>; PRD <https://www.prd.com.au>;

and collective websites such as [www.realestate.com.au](http://www.realestate.com.au) and <https://www.domain.com.au/> (where you can view many agency listings for rental accommodation options).

## Renting your own apartment, flat or house

Renting your own apartment, flat or house means you can choose who lives with you and this may be a good choice for students who prefer independent living. It also means that you may need to buy (or rent) all your own furniture. The estate agent will ask you to sign a contract (tenancy agreement or lease) with the owner, agreeing that you will stay in the place for a minimum period of time (usually 6 or 12 months). Make certain that the accommodation is suitable for your needs and that you can afford it. Contact real estate agents close to the area in which you want to live.

The average apartment, house, or flat ranges from \$350 - \$500 per week (one bedroom) or \$600-\$800 per week (two to three-bedroom house). A bond or security deposit equal to one month's rent is also required. Bond money is what you pay to the landlord or real estate agent as a security in case there is a dispute at the end of your tenancy over things like damage, cleaning, or unpaid rent. It is refundable after you move out of the flat or house, provided you leave the property in reasonable condition and fulfil your obligations under the lease.

### **Sharing an Apartment, Flat or House**

This type of rental accommodation can only be arranged after you arrive on the Gold Coast. In a shared accommodation (apartment, flat or house) each person usually has his or her own bedroom and shares the bathroom, kitchen and living areas with other people. Costs depend on the size of the residence and the number of people sharing. Your budget should allow for food, electricity, and other bills, plus transport and other personal costs. Food costs can be shared, with everyone paying an agreed amount per week, or each person buying his or her own food. In most households the cost of electricity, water, internet, and other bills are shared equally (approximately \$200 - \$300 per week). The average cost for one bedroom in this type of accommodation ranges from \$300-450. Usually, a bond deposit is required.

### **Hostel Accommodation**

Hostels usually have a bathroom and living and leisure areas that are shared with other residents. Some hostels include meals in their fees, while at others you cook for yourself. You can have your own room at most hostels, but this is more expensive than if you are sharing a room with another student. Prices vary from \$70-\$100 per day. There may be other charges, such as a bond (security deposit) and appliance charges.

### **Other Accommodation Issues**

If you choose to rent or live in share accommodation or organise a share accommodation house, you should be aware of your legal rights and responsibilities. You can get most of this information from the Residential Tenancies Authority website: <http://www.rta.qld.gov.au>

This website will give you information about your rights as a tenant in rental accommodation and your responsibilities, such as household maintenance and paying your rent on time. You may also be responsible for paying for the cost of the reconnection of the utilities, such as, gas, electricity, water, and telephone. When you leave a rental property, it is your responsibility to notify the electricity, telephone, and gas companies that you have left and are no longer responsible for the bills.

When you move into a place, you need to make sure that you understand all the papers that you sign. Do not sign anything unless you are fully aware of all terms and conditions, and you are sure you understand them clearly. If you would like to have more clarification of any documents you have to sign, you can visit the College for help.

### **School and Childcare Options**

If you have dependent children with you during your stay in Australia, you may need to arrange schooling or childcare for your children. You will need to decide between private and state schooling for your children. Education Queensland runs state schooling in QLD. There are numerous public and private schools located near our campuses. The following website provides a search facility to find a state or non-state (private) school in your area: <https://schoolsdirectory.eq.edu.au/>

The following websites provide search facilities to find childcare centres for your preschool children. <http://www.echildcare.com.au> and <https://www.startingblocks.gov.au/>.

### **Transport**

With one of the highest standards of living in the world, Australia offers modern transport systems. Australia has an extensive public transport system that includes trains, buses, tramways, and ferries. Metropolitan areas are divided into zones and your ticket type and cost depends on which zone you are going to travel in and for how long. Tickets can be bought at train stations, and buses.

Hope College Australia students who arrive at Brisbane Airport can travel by train or coach to the Gold Coast, or if you arrive at Sydney Airport and change flights, you can fly directly to the Gold Coast Airport. Coaches & Taxis are available from the Gold Coast Airport. Transport to Hope College Australia is by Surfside Bus lines which run Routes 750 through Varsity Lakes.

Metered taxicabs operate in all major cities and towns. You will find taxi ranks at transport terminals, main hotels or shopping centres or you can call to book a taxi. A light and sign on the roof indicate if a cab is vacant. There is a minimum charge on hiring and then a charge per kilometre travelled. Taxi drivers do not have to be tipped. In addition to taxis, ridesharing services are available via mobile apps throughout Brisbane and Gold Coast.

Uber ride services are also available in Australia. A ride can be arranged through the Uber app.

International students may drive in Australia on a valid overseas driver's licence but if the document is not in English, they must carry its official English translation certified by the NAATI and the licence together. An overseas driving licence is not sufficient by itself. In general, the speed limit is 50km/h in residential and commercial areas or where otherwise indicated. A 100kmh speed limit on highways unless otherwise indicated.

### **Shopping, entertainment, and recreation**

Shopping centres usually include a supermarket for buying food and household items, clothing and shoe stores, travel agents, banks, restaurants, coffee shops, pharmacies, book and photographic shops, jewellers, medical centre, and other such amenities. Credit cards and charge cards are widely accepted when purchasing goods and services. The most commonly accepted cards are Visa and MasterCard. Australia's major centres and capital cities have world-class shopping facilities.

On the Gold Coast we have several major shopping centres: Pacific Fair (the largest shopping centre in QLD), Australia Fair, Robina Town Centre, Stockland Burleigh Heads, etc.

Also, in Brisbane we have some major shopping centres: Westfield Chermiside Shopping Centre, Westfield Garden City Shopping Centre, and Westfield Carindale Shopping Centre.

General shopping hours are 9.00 am – 5.00 pm with late night shopping until 9.00 pm on Thursdays. Some shopping centres might have different hours on the weekend. Please check their websites for more information before visiting. Some convenient stores, such as, 7Eleven, Night Owl are open 24/7 (24 hours a day, 7 days a week).

The Gold Coast is regarded as the tourist capital of Australia, and it offers many opportunities for entertainment and recreation including over 500 restaurants, a casino, multi-screen movie theatres, and theme parks (Seaworld, Warner Bros Movie World, Dreamworld, White Water World, Wet n Wild Water Park, Paradise County, Currumbin Wildlife Sanctuary and Australian Outback Spectacular). Popular sports in Gold Coast include golf, Rugby League, Rugby Union, Australian Football, cricket, soccer, tennis, netball, and plenty of opportunity for water sports being so close to the water.

There are so many unique tours and experiences on the Gold Coast that include: Tours through the magical Hinterland; Four-wheel-drive and eco tours; Sightseeing tours through the city, Canals, and Broadwater; Shopping tours; Night tours to view Australian native animals; Cruises by catamaran, replica tall ship or luxury cruiser.

If you need additional information on the Gold Coast, simply visit Destination Gold Coast ([www.destinationgoldcoast.com](http://www.destinationgoldcoast.com)).

### **Employment/Part-Time Work**

Students and their dependent family members who were granted a student visa have permission to work. Students and their dependent family members with permission to work must not undertake work until the main student visa holder has started their course in Australia.

They are limited to 48 hours work per fortnight while their course is in session (come into effect from 1 July 2023) but may work unlimited hours during formal holiday periods. Student visa holders found to be working in excess of their limited work rights may be subject to visa cancellation.
